

Kestrel Customer Service Policy (March 2026)

1. Delivery windows

Standard deliveries are promised within a 2-hour window. Express deliveries are promised within a 30-minute window and cost a surcharge of EUR 4.90.

2. Refunds

If a delivery arrives more than 20 minutes after the end of its window, the customer receives a refund of 50 % of the delivery fee. If the payload is lost (incident code KX-2), the customer receives a full refund plus a EUR 15 voucher. Refunds are issued automatically within 5 business days.

3. Customer contact after incidents

After a KX-2 incident, customer service contacts the customer within 4 hours. After a KX-3 incident, only the managing director's office contacts the customer.

4. Restricted items

We do not carry lithium batteries above 100 Wh, liquids above 1 litre, living animals, or anything classified as dangerous goods. Medication is accepted only from registered pharmacies.

5. Photos and data

Proof-of-delivery photos are kept for 30 days and then deleted. Flight logs are kept for 2 years.
